This year we must say goodbye to two very important people on our board. Eileen Lauria who has been on our board for 4 years and has also held office of secretary within those years and Cheryl Stanton who has been on the board as well for several years, 3 of those years as president and also has held position as treasurer. Cheryl continued on with the club holding two positions although her daughter had graduated and moved onto college last year. You will both truly be missed. Thank you for your hard work and dedication to the club.
