Fall 2018 edition

Welcome from the Club President

Welcome everyone to our 2018-19 season! We are so pleased to welcome our new members, and see our returning members! We have implemented some exciting new changes this year: Entryeeze for membership, ice contracting, test application, and coupon ordering. We also hope to add merchandise ordering to the system. We will still be using Signup.com for all of our volunteer opportunities, and tracking of your volunteer hours. We always love to hear new ideas from our members, and welcome your feedback. Here's to a successful and happy skating season!

Organizing or assisting with Fundraising events

About the Newsletter

Amy Langridge, now our the WFSC Secretary was responsible for our beautiful and informative newsletters of last season. I (Lauren L'Esperance) have taken over newsletter duties. If someone else in the club has a burning passion for newsletters, please get in touch! Meanwhile I will do my best to communicate member/club/skating information to you all on a seasonal basis. As I did this time, I will send something out to members to get their updated information. If you send something to me I will do my best to include it. On the flipside, if you don't reply to the newsletter information request, then there will be nothing to include for your skater.
