### Mission Statement

The goal of the Club is to:

- Provide a safe, welcoming, and friendly skating environment,
- Foster, promote, encourage, advance, and improve figure skating,
- Encourage and cultivate a spirit of harmony among figure skaters.

## New Ice Rules

You may have noticed a set of ice session rules posted at the rink. Now that the club is growing and some sessions have a large number of skaters, the Board has established a set of rules to help ensure that WFSC ice sessions provide a safe and productive environment. The rules are intended to provide a structure to the ice sessions so all skaters and coaches can safely practice and achieve their figure skating goals.

The rules can be found in several places: in the glass display case in the Ice Palace lobby, at the monitor stand or ice door during sessions, and on the WFSC website. The rules will also be emailed to all skaters and coaches.

Please review the rules with your skater and coach. Happy and safe skating!

## WFSC 2nd Annual Harvest Skate High School Competition

On Sunday, October 16th, the Winchester Figure Skating Club hosted its second annual High School competition at the Stoneham Arena. Many WFSC skaters competed as members of local high school teams, representing their schools.

This competition was the first in a series of five high school competitions for the 2016/17 season sponsored by the New England InterClub Council. This competitive series was designed for student-athletes with the desire to continue competing in figure skating during their high school years.

The WFSC Board would like to express its gratitude to the many members and parents who volunteered to help make the competition a success and a memorable event for the high school skaters. Thank you!
